**SUPPLEMENTARY REGULATIONS**

## Message from the Clerk of the Course

Welcome to the Centenary celebration Lock & Load Transport Alpine Rally of East Gippsland.

After postponing the event last year due to COVID on the actual centenary we are resurrecting it on its 101<sup>st</sup> year in 2022 but are determined to still celebrate Australia's oldest motorsport event and the second oldest rally in the world just as it deserves.

It is nine years since I stepped into the role of Clerk of the Course after Russell Opie and previously Stuart Lister resurrected and guided this iconic event back to its rightful prominence on the Australian motorsport calendar. I am deeply honoured to have been associated with the Alpine in this way. Sadly though, the time has now come for me to step away so this will be my last Alpine Rally as CoC and I can't think of a more fitting time to pass the baton on to the next generation.

The 2022 event has deservedly grown in size to a four-day rally with a range of locations and roads that will both challenge and excite competitors and provide a stunning spectacle for spectators. Lakes Entrance in East Gippsland is again home to the event and we will spend time in Orbost, Omeo and Bruthen along the way. We can't thank those local communities enough for the welcome and support they provide to us every year.

I expect entries to fill very quickly and be oversubscribed on the day they open so make sure you get in early to secure your place in the field. If you're not competing, please consider being part of this momentous occasion by volunteering as an official on one or more days.

Make sure you get your accommodation booked now as it is already filling quickly. You can do this at <https://www.visiteastgippsland.com.au/> and stay up to date with everything Alpine Rally on our website <https://alpinerally.org.au/>

Finally, I want to express my deep gratitude for the support of our sponsors. Please support these businesses whenever you can as without their support, we simply couldn't make this event happen.

I look forward to seeing you in Lakes Entrance this December.

**Owen Polanski**

Clerk of the Course/Event Director.
