

2022 Lock & Load Transport Alpine Rally of East Gippsland

SPECTATOR GUIDE UPDATE FOR ANDROID SMART PHONE USERS.

We have been alerted to a problem with some Android Smart Phones reading the QR codes for three of the Spectator Point Google Map directions in the #AlpineRally100 Spectator Guide.

Here are revised codes, that work for both Android and iPhones.

<p>SPECTATOR POINT 4 FIRST CAR DUE: 11.10 Special Stage 6 "COULSONS"</p> <p>Distance from Spectator Point 3: 50 km Estimated Travel Time from Spectator Point 3: 40 Minutes</p>	
<p>SPECTATOR POINT 5 FIRST CAR DUE: 14.00 Special Stage 9 "BULLWINKLE"</p> <p>Distance from Spectator Point 4: 30.5 km Estimated Travel Time from Spectator Point 4: 30 Minutes</p>	
<p>SPECTATOR POINT 7 FIRST CAR DUE: 11.44 Special Stage 16 "LAKE OMEO"</p> <p>Distance from Omeo township: 19 km Estimated Travel Time from Omeo township: 20 Minutes</p>	

Note that the original codes worked ok for iPhone users, so this update is only necessary for Android users.
